Re: U.S.-U.S.S.R. Program of Cooperation in Chemical Catalysis
Visit to the U.S.S.R. by U.S. Research Fellow, Dr. Duane D. BRUNS
and his wife, Mrs. Linda Elizabeth BRUNS

Dear Dr. Korneyev:

This will refer to my letter of November 12, 1974, concerning the proposed visit to the U.S.S.R. by U.S. research fellow, Dr. Bruns and his wife, Linda Elizabeth. I trust that you have received his data sheet which was enclosed with the letter and that his program of research work is acceptable.

I have just been informed that Dr. Bruns and his wife plan to depart the United States a couple of weeks prior to March 1 for a visit in Europe. I would, therefore, appreciate hearing from you at your earliest convenience confirming the acceptability of Dr. Bruns' proposed program and the arrival of Dr. Bruns and Mrs. Bruns in the U.S.S.R. on March 1, 1975.

Sincerely yours,

Richard L. Kenyon
Program Administrator
